Chapter 11

Case No. 20-30608 (JCW)

(Jointly Administered)

**ORDER APPROVING PERSONAL INJURY
QUESTIONNAIRE AND GRANTING RELATED RELIEF**

This matter coming before the Court on the *Joint Motion of the Debtors and the Future Claimants' Representative for an Order (I) Establishing a Bar Date for Certain Known Asbestos Claims, (II) Approving Proof of Claim Form, (III) Approving Personal Injury Questionnaire, (IV) Approving Notice to Claimants, and (V) Granting Related Relief* [Dkt. 471] (the "Joint Motion"), filed jointly by the above-captioned debtors (together, the "Debtors") and Joseph W. Grier, III, as the representative for future asbestos claimants in the above-captioned

¹ The Debtors are the following entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Aldrich Pump LLC (2290) and Murray Boiler LLC (0679). The Debtors' address is 800-E Beaty Street, Davidson, North Carolina 28036.

cases (the "FCR"); the Court having reviewed the Joint Motion and the further submissions of the parties, and having heard the statements of counsel regarding the relief requested in the Joint Motion at hearings before the Court held on January 28, 2021 and December 2, 2021 (together, the "Hearings"); the Court finding that (i) the Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334, (ii) venue is proper in this district pursuant to 28 U.S.C. § 1409, (iii) this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2), and (iv) notice of the Joint Motion and the Hearings was sufficient under the circumstances; and the Court having determined that the legal and factual bases set forth in the Joint Motion and at the Hearings establish just cause for the relief granted herein;

IT IS HEREBY ORDERED THAT:

1. For the reasons stated on the record at the hearing on January 27, 2022 (the "January 27 Hearing") (which are incorporated herein by reference), the relief requested in the Joint Motion as it relates to the completion and submission of personal injury questionnaires by holders of Prepetition Mesothelioma Claims² is GRANTED as set forth herein. All objections to the relief granted herein are OVERRULED, except to the extent set forth in this Order.

2. The Aldrich Pump LLC and Murray Boiler LLC Personal Injury Questionnaire (the "Questionnaire") attached to this Order as Exhibit 2 and incorporated herein by reference is approved; provided, however, that non-substantive corrections and formatting changes to the Questionnaire may be made by agreement among the Debtors, the FCR, the Official Committee of Asbestos Personal Injury Claimants (the "ACC"), Trane Technologies

² Capitalized terms not otherwise defined herein will have the meanings given to them in the *Order (I) Establishing a Bar Date for Certain Known Mesothelioma Claims, (II) Approving Proof of Claim Form, (III) Approving Notice to Claimants, and (IV) Granting Related Relief* [Dkt. 1093] (the "Bar Date Order"), a copy of which is attached hereto as Exhibit 1.

Company LLC ("New Trane Technologies"), and Trane U.S., Inc. ("New Trane" and, collectively with the Debtors, the FCR, the ACC, and New Trane Technologies, the "Parties", and each individually a "Party"). The Questionnaire seeks evidence that is relevant to estimation of the asbestos liability of the Debtors and the negotiation, formulation, and confirmation of a plan of reorganization, and is proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. Further, this Court has authority to order the use of the Questionnaire pursuant to Rule 2004 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), 11 U.S.C. § 105(a), and the Court's inherent powers, and use of the Questionnaire is the most efficient way to proceed and avoid undue burden.

3. Pursuant to the Court's ruling at the January 27 Hearing and the Bar Date Order, every claimant who submits a Prepetition Mesothelioma Claim Form (or any other proof of claim) on account of a Prepetition Mesothelioma Claim (for purposes of this Order, a "Prepetition Mesothelioma Claimant") is required to complete and submit the Questionnaire, pursuant to the deadlines and requirements set forth in paragraph 4 below.

4. The following deadlines and requirements shall apply:

- a. As soon as practicable after the Prepetition Mesothelioma Claims Bar Date, the Debtors' claims, noticing, and ballot agent, Kurtzman Carson Consultants LLC ("KCC"), shall transmit a copy of the claims register containing Prepetition Mesothelioma Claims to Donlin, Recano and Company, Inc. (the "Questionnaire Agent"). Within ten days after receiving the claims register, the Questionnaire Agent shall serve a copy of the Questionnaire and this Order, via first-class U.S. mail, postage prepaid, on the notice party provided in the applicable Prepetition Mesothelioma Claim Form (or other proof of claim). The Debtors or the Questionnaire Agent shall file a certificate of service and provide

the ACC and the FCR with an electronic copy of such service list. The Questionnaire Agent shall assign a unique numerical identifier (the "PIQ ID") to each Prepetition Mesothelioma Claimant, which the Prepetition Mesothelioma Claimant shall be required to use in answering the Questionnaire.

- b. Responses to the Questionnaire, whether in electronic or paper form, including all attachments thereto, and all trust claim forms submitted by Prepetition Mesothelioma Claimants pursuant to the Questionnaire or obtained from any asbestos personal injury trust (each a "Trust") pursuant to the optional authorization form incorporated in the Questionnaire,³ are referred to herein as "Questionnaire Responses".
- c. All Prepetition Mesothelioma Claimants may submit their Questionnaire Responses in paper form or by uploading electronic copies of the responses through the secure portal (the "Portal") established by the Questionnaire Agent, available at <https://aldrich.donlinrecano.com>.
- d. If a Prepetition Mesothelioma Claimant chooses to submit the Questionnaire Responses through the Portal, he or she shall complete and submit the Questionnaire Responses no later than 11:59 p.m., prevailing Eastern Time, on **December 16, 2022**. An electronic signature on Questionnaire Responses submitted through the Portal shall be treated as equivalent to a physical signature.
- e. If a Prepetition Mesothelioma Claimant chooses to submit the Questionnaire Responses in paper form, he or she shall complete the Questionnaire Responses and deposit them in first-class U.S. mail (prepaid) or other delivery service, so that the Questionnaire Responses are postmarked no later than **December 16, 2022**, addressed as follows:

If sent by first-class U.S. mail, send to:

If sent by hand delivery or overnight courier, send to:

Re: Aldrich Pump LLC & Murray Boiler LLC

³ The authorization form is set forth as Exhibit 1 to the Questionnaire and is entitled "Claimants' Optional Authorization for Debtors' Counsel to Obtain Trust Records." It is referred to below in this Order as the "Authorization."

Brooklyn, NY 11219

- f. The Questionnaire Agent shall produce all Questionnaire Responses to the Parties, their respective bankruptcy counsel and special counsel, and their respective retained asbestos claims experts. The Questionnaire Agent may make such production on a rolling basis as Questionnaire Responses are received.
- g. No Questionnaire Responses shall be disseminated or disclosed, whether in written or electronic form, to any person other than (i) the Parties, (ii) any law firm rendering legal services to a Party in connection with estimation of the Debtors' asbestos liability or in negotiating, formulating, and confirming a plan of reorganization (the "Permitted Uses") in these bankruptcy cases, and each such law firm's employees, agents, and representatives who are personally involved in rendering services in connection with the Permitted Uses; (iii) any Party's consulting or testifying experts, and members of their staff, who are personally involved in rendering services to a Party in connection with the Permitted Uses; (iv) any person who testifies at a deposition or hearing in connection with the Permitted Uses, and for whose examination or cross-examination reference to Questionnaire Responses is relevant; (v) third-party service companies providing outside photocopying, graphic production services, or litigation support services to counsel or experts in connection with the Permitted Uses; (vi) KCC and the Questionnaire Agent and any of their respective employees, agents, or representatives rendering services in connection with the Permitted Uses; (vii) the Court, including secretaries, judicial assistants, law clerks, and other clerical staff; and (viii) court reporters, stenographers, or videographers who record deposition or other testimony in connection with these bankruptcy cases; provided, however, that the right of access to Questionnaire Responses hereby conferred on the foregoing persons is subject to the conditions precedent set forth in paragraph 4.h. immediately below. Each Prepetition Mesothelioma Claimant completing Questionnaire Responses is deemed to have relied upon these access and use restrictions in connection with disclosure of the information provided in his or her Questionnaire Responses.
- h. Any person exercising a right of access to Questionnaire Responses granted by this Order shall thereby consent, and be deemed to consent, to be bound by this Order and shall thereby submit, and be deemed to submit, to the exclusive jurisdiction and venue of this Court for any dispute pertaining to the interpretation or enforcement of this Order. Without limitation of the generality of the foregoing sentence, as a condition of the right of access to Questionnaire Responses conferred by paragraph 4.g. above, every entity described in subparts (ii) through

(vi) of paragraph 4.g. shall execute a joinder in the form annexed to this Order as Exhibit 3.A or Exhibit 3.B. Exhibit 3.A shall be executed on the part of corporations, partnerships, companies, or firms whose employees, representatives, or agents will receive access to Questionnaire Responses in the performance of the firm's duties with respect to these bankruptcy cases. Exhibit 3.B shall be signed in an individual capacity by individuals (such as witnesses or self-employed experts) who receive a right of access to Questionnaire Responses under paragraph 4.g. above in their individual capacities, rather than as employees, agents, or representatives of a firm.

- i. The Debtors are authorized to serve subpoenas under Bankruptcy Rule 9016 on the Trusts listed in the Authorization form, and their claims processing facilities, to obtain claim forms and attachments submitted by claimants to the Trusts (such as deposition transcripts, affidavits, invoices, etc.) pursuant to Authorizations returned as part of Questionnaire Responses. The subpoenas may request claim forms and other documents submitted to the Trusts or claims processing facilities by (i) claimants matching the last name and full social security number of the claimant or Injured Party (as defined in the Questionnaire) contained in the Authorization, and/or (ii) claimants matching the claimant or Injured Party (as defined in the Questionnaire) last name and last four digits of the social security number in the Authorization. An electronic signature on the Authorization submitted through the Portal shall be treated as equivalent to a physical signature. The Trusts and claims processing facilities shall not be subject to any actions, claims, or demands by claimants or any other parties as a result of their good faith compliance with this Order, the subpoenas, and the matching protocol contained therein.

5. Questionnaire Responses shall be confidential in accordance with this Order and treated as such without need of any special designation by or on behalf of the responding Prepetition Mesothelioma Claimants. Any entity granted access to Questionnaire Responses as provided in this Order must maintain the confidentiality of the same in a manner consistent with the obligations and restrictions imposed herein.

6. Prepetition Mesothelioma Claimants and the Parties shall have standing to enforce the protections afforded to Questionnaire Responses by this Order.

7. As a precautionary measure, but not as a precondition to protection, the Questionnaire Agent shall stamp the first page of any written Questionnaire Responses with the following legend: "CONFIDENTIAL – SUBJECT TO PROTECTIVE ORDER AND USE RESTRICTIONS."

8. Any entity that receives access to Questionnaire Responses as provided in this Order shall provide for physical, managerial, and electronic security thereof such that Questionnaire Responses are reasonably maintained and secured, ensuring that they are safe from unauthorized access or use during utilization, transmission, and storage.

9. Except as otherwise provided in paragraph 16 below, the Questionnaire Responses, and any analyses, conclusions, summaries, excerpts, or redacted copies derived therefrom, and any knowledge obtained therefrom, shall be used only in connection with the Permitted Uses absent further order of the Court.

10. Neither Questionnaire Responses nor any analyses, conclusions, summaries, excerpts, or redacted copies derived therefrom may be (a) publicly disclosed except pursuant to this Order, (b) used as a disclosed or undisclosed source in any article, study, research, editorial, publication, presentation, or scholarly work, or in any lobbying materials developed in connection with proposed legislation, (c) incorporated into or merged with any preexisting database that is to be used or maintained for any purpose other than these bankruptcy cases, or (d) used as evidence in connection with the defense or resolution of any asbestos personal injury claim outside of these bankruptcy cases.

11. If Questionnaire Responses maintained or converted to electronic form are incorporated into or merged with any preexisting electronic information or database for purposes of these bankruptcy cases (a "Merged Database"), the Merged Database must itself be treated as

confidential to the same extent as the underlying Questionnaire Responses themselves, and shall be subject to the same use restrictions that this Order imposes on the Questionnaire Responses themselves. Any Merged Database relied upon by any expert submitting a report pursuant to Bankruptcy Rules 7026 or 9014 shall be produced to the other Parties no later than ten days after such report is served on the other Parties.

12. Nothing in this Order shall restrict any person's right to make lawful use of:

- a. any discrete data set or materials that came into the possession of such person lawfully and free of any confidentiality obligation;
- b. any exhibit or other document that is placed on the public record in these bankruptcy cases in conformity with the restrictions set forth in paragraph 13 below or the *Agreed Protective Order Governing Confidential Information* [Dkt. 345], or any data or material that is or becomes publicly available other than by a breach of this Order; or
- c. any discrete data set or materials developed by or on behalf of such person independent of any Questionnaire Responses.

13. In the event that, in the course of these bankruptcy cases, any Party intends to offer into evidence or otherwise use Questionnaire Responses in connection with testimony, argument, or filings in this Court, or any reviewing court, such Party shall provide at least ten days written notice to the Prepetition Mesothelioma Claimant or Prepetition Mesothelioma Claimants who provided the Questionnaire Responses (via counsel, where applicable) and may not divulge Questionnaire Responses except when the following conditions are met: (a) such information is relevant to these bankruptcy cases; (b) there is no reasonable manner to use such information without disclosing Questionnaire Responses; and (c) such Party has redacted or filed a proper motion to seal (or, in the case of categories (iii) and (vi) sought Court approval through a motion with notice to affected Prepetition Mesothelioma Claimants to introduce) (i) Social Security numbers (except last four digits), (ii) dates of birth (except year),

(iii) names and addresses of claimant, claimant family members, and identifiable minors (except for their initials), (iv) financial account numbers (except last four digits), (v) medical information (except claimed disease, such as 'pleural mesothelioma,' 'peritoneal mesothelioma,' 'asbestosis,' or 'lung cancer,' and diagnosis date), and (vi) settlement amounts. Nothing herein shall prohibit an expert for any Party from using or referring to Questionnaire Responses in such expert's report, or testifying concerning Questionnaire Responses in open court, so long as such testimony or report does not reveal the information described in categories (i) through (vi) of the previous sentence, and further, no notice to Prepetition Mesothelioma Claimants or their counsel is required and such testimony or report may refer to settlement amounts so long as they are not linked to a claimant or law firm.

14. In the event that an entity granted access to Questionnaire Responses pursuant to this Order receives a subpoena, interrogatory, or other request for the production or disclosure of any Questionnaire Responses, in whole or in part, to a third party (a "Third-Party Discovery Demand"), including a governmental or other regulatory body, such entity (a "Discovery Target") shall provide prompt written notice of any such request or requirement to the Prepetition Mesothelioma Claimant or Prepetition Mesothelioma Claimants who provided the information requested (via counsel, where applicable), with copies to the Parties, so that any of them may seek a protective order or other appropriate remedy or waive compliance with the provisions of this Order. Pending a timely effort to obtain such a protective order or other remedy to prevent the requested production or disclosure, or written waiver by the Prepetition Mesothelioma Claimant and each of the Parties of the right to seek such an order or remedy, the Discovery Target shall interpose an objection to the Third-Party Discovery Demand on the basis of this Order. If a motion for protective order is filed in this Court, a Discovery Target's

obligations to comply with such Third-Party Discovery Demand are stayed and the Discovery Target shall be restrained from providing Questionnaire Responses to such third party until the motion for protective order is resolved by this Court.

15. Except as otherwise provided in a confirmed Chapter 11 plan of reorganization for the Debtors (a "Plan"), within the one-year anniversary of the date of substantial consummation of the Plan, each entity that has received Questionnaire Responses shall destroy such Questionnaire Responses, including all physical copies and all electronically stored versions thereof, in a commercially reasonable manner and continue to be bound by the terms and obligations imposed by this Order, and shall certify such destruction in writing to respective counsel of record for the Debtors, the Reorganized Debtors, the ACC, and the FCR; provided, however, that the obligations of this paragraph shall not apply to copies of pleadings and exhibits filed under seal with this Court, or to file copies in the possession of counsel of record for the Prepetition Mesothelioma Claimants or for the Parties of papers prepared in connection with these bankruptcy cases (e.g., pleadings, transcripts, interview or document summaries, internal memoranda, written communications with professionals, experts, and witnesses, depositions and exhibits thereto, court papers, and other papers prepared, created, or served in connection with these bankruptcy cases); and provided, further, that the obligations of this paragraph may be superseded and rendered inoperative if and to the extent that a confirmed Plan specifically authorizes a particular entity to turn over Questionnaire Responses to an asbestos trust created pursuant to the Plan.

16. Notwithstanding the foregoing, the Questionnaire Agent is authorized and directed to preserve all Questionnaire Responses pending further order of the Court after notice and a hearing.

17. Nothing in this Order shall restrict the right of any insurance carrier to (a) seek access to all or some Questionnaire Responses or (b) object to any plan of reorganization filed in these chapter 11 cases on any basis.

18. Any person or entity who seeks relief from any provision of this Order shall do so by motion in this Court on notice to the Parties, the Office of the United States Bankruptcy Administrator for the Western District of North Carolina, and any Prepetition Mesothelioma Claimants or other persons directly affected by the relief sought (via counsel, where applicable). The movant shall bear the burden of showing good cause for the requested relief.

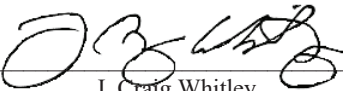

19. This Court shall retain exclusive jurisdiction to interpret, apply, and enforce this Order to the full extent permitted by law.

This Order has been signed electronically.

This matter coming before the Court on the *Joint Motion of the Debtors and the Future Claimants' Representative for an Order (I) Establishing a Bar Date for Certain Known Asbestos Claims, (II) Approving Proof of Claim Form, (III) Approving Personal Injury Questionnaire, (IV) Approving Notice to Claimants, and (V) Granting Related Relief* [Dkt. 471]

(the "Joint Motion"),² filed jointly by the above-captioned debtors (together, the "Debtors") and the Future Claimants' Representative; the Court having reviewed the Joint Motion and having heard the statements of counsel regarding the relief requested in the Joint Motion at hearings before the Court held on January 28, 2021 and December 2, 2021 (together, the "Hearings"); the Court finding that (i) the Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334, (ii) venue is proper in this district pursuant to 28 U.S.C. § 1409, (iii) this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2), and (iv) notice of the Joint Motion and the Hearings was sufficient under the circumstances; and the Court having determined that the legal and factual bases set forth in the Joint Motion and at the Hearings establish just cause for the relief granted herein;

IT IS HEREBY ORDERED THAT:

1. For the reasons stated on the record at the hearing on January 27, 2022 (the "January 27 Hearing") (which are incorporated herein by reference), the relief requested in the Joint Motion as it relates to establishing a bar date for Prepetition Mesothelioma Claims (as defined herein), is GRANTED in part and DENIED in part on the terms and conditions set forth herein.
2. Each holder of a Prepetition Mesothelioma Claim shall be required to submit a proof of claim in accordance with the procedures described herein to avoid the potential consequences set forth in paragraph 10 of this Order.
3. For purposes of this Order and the relief granted herein:
 - a. "Prepetition Mesothelioma Claims" shall mean all claims against the Debtors asserted in a lawsuit prior to the Petition Date for mesothelioma relating in any way to asbestos or asbestos-containing products for which the Debtors or their predecessors-in-interest, including the former Ingersoll-Rand Company, a New Jersey

² Capitalized terms not otherwise defined herein will have the meanings given to them in the Joint Motion.

corporation ("Old IRNJ") and Trane U.S. Inc. ("Old Trane") are alleged to be responsible; provided, however, that Prepetition Mesothelioma Claims shall not include asbestos-related claims for which the exclusive remedy is provided under workers' compensation statutes and similar laws; provided, further, that for law firms party to an agreement establishing a structure for either Debtor, Old IRNJ, or Old Trane to resolve claims against them without being named as a defendant in a lawsuit in the tort system, the Prepetition Mesothelioma Claims Bar Date (as defined herein) shall apply to all mesothelioma claims governed by said agreement and for which, pursuant to said agreement, statutes of limitation have been tolled by the filing of an asbestos related lawsuit against any entity in the tort system prior to June 18, 2020 (the "Settlement Agreement Claims"); and

- b. the Prepetition Mesothelioma Claims Bar Date shall not apply to any claim or demand against, or interest in, the Debtors other than Prepetition Mesothelioma Claims including, without limitation, (i) non-asbestos-related claims, (ii) asbestos-related claims on account of diagnoses other than mesothelioma, (iii) asbestos-related claims for which the exclusive remedy is provided under workers' compensation statutes and similar laws, and (iv) claims against one or both of the Debtors based on, arising out of, or related to asbestos-related injury, disease, or death that either (A) except for any Settlement Agreement Claims, had manifested, become evident, or been diagnosed as of the Petition Date, but for which a claim had not been asserted against one or both of the Debtors as of the Petition Date or (B) had not manifested, become evident, or been diagnosed as of the Petition Date.

4. Holders of Prepetition Mesothelioma Claims who submit proofs of claim shall complete and submit a proof of claim substantially in the form attached hereto as Exhibit 1 (the "Prepetition Mesothelioma Claim Form").

5. To avoid the potential consequences set forth in paragraph 10 of this Order, holders of Prepetition Mesothelioma Claims must complete their Prepetition Mesothelioma Claim Forms and either (i) submit them electronically through the electronic claims filing system maintained by Kurtzman Carson Consultants LLC ("KCC"), the Debtors' claims and noticing agent, available at <https://epoc.kccllc.net/PrepetitionMesotheliomaClaim> (the "Claims Website"), by **no later than 5:00 p.m. (prevailing Eastern time) on July 29, 2022**

(the "Prepetition Mesothelioma Claims Bar Date") or (ii) send them to KCC so as to be actually received by no later than 5:00 p.m. (prevailing Eastern time) on the Prepetition

Mesothelioma Claims Bar Date at the following address:

c/o KCC
222 N. Pacific Coast Highway, Suite 300
El Segundo, CA 90245

An electronic signature on a Prepetition Mesothelioma Claim Form submitted through the Claims Website shall be treated as equivalent to a physical signature.

6. Consistent with the Court's ruling at the January 27 Hearing, every claimant who completes and submits a Prepetition Mesothelioma Claim Form on account of a Prepetition Mesothelioma Claim shall be required to complete and submit a personal injury questionnaire (the "Questionnaire"). The precise form and the deadlines and requirements for completion and submission of Questionnaires will be established by and set forth in a subsequent Order of the Court.

7. The forms of the Prepetition Mesothelioma Claim Form and the notice of the Prepetition Mesothelioma Claims Bar Date and the requirement to submit a Questionnaire (the "Bar Date / Questionnaire Notice"), in the forms attached hereto as Exhibits 1 & 2, respectively, and the manner of providing notice of the Prepetition Mesothelioma Claims Bar Date and the requirement to submit a Questionnaire, are approved in all respects. The form and manner of notice of the Prepetition Mesothelioma Claims Bar Date and the requirement to submit a Questionnaire approved herein are deemed to fulfill applicable notice and other due process requirements of the Bankruptcy Rules and applicable law as to those known claimants to which such notice is directed. Accordingly, the Debtors are authorized to serve the Notice Package (as defined herein) in the manner described in paragraph 8 below.

8. As soon as practicable, but in any event no later than five business days after the date that the Court enters this Order, the Debtors, through KCC, shall serve on counsel of record for all known claimants who have asserted asbestos-related personal injury claims against the Debtors, as reflected in their schedules of assets and liabilities and statements of financial affairs, by first class United States mail, postage prepaid: (a) the Bar Date / Questionnaire Notice; (b) a Prepetition Mesothelioma Claim Form; (c) a copy of this Order; and (d) an individualized list of claimants represented by such counsel (collectively, (a)-(d), the "Notice Package"). Notwithstanding any provision of the Bankruptcy Code or Bankruptcy Rules, including, without limitation, Bankruptcy Rule 2002, which requires service of notice of the Prepetition Mesothelioma Claims Bar Date on all parties in interest in these Chapter 11 Cases, no other service of notice of the Prepetition Mesothelioma Claims Bar Date shall be required. The Debtors may, in their discretion, but shall not be required to, serve the Bar Date / Questionnaire Notice and/or the Notice Package on other entities in order to apprise them of the Prepetition Mesothelioma Claims Bar Date.

9. All claimants asserting Prepetition Mesothelioma Claims against one or both Debtors shall be required to submit only one Prepetition Mesothelioma Claim Form but shall be required to identify in such Prepetition Mesothelioma Claim Form whether the claim is against Aldrich, Murray, or both Debtors.

10. Unless the Court orders otherwise, pursuant to Bankruptcy Rule 3003(c)(2), any holder of a Prepetition Mesothelioma Claim who fails to file a proof of claim with respect to such Prepetition Mesothelioma Claim in accordance with this Order by the Prepetition Mesothelioma Claims Bar Date shall be subject to such legal consequences as the Bankruptcy Code may prescribe or permit, which may include disallowance of the untimely filed

Prepetition Mesothelioma Claim and the barring, estopping, and enjoining of such holder from (a) asserting any Prepetition Mesothelioma Claim against the Debtors (or against any entity that, pursuant to any plan of reorganization, assumes liability for Prepetition Mesothelioma Claims), (b) voting to accept or reject any plan or plans of reorganization, (c) participating in any distribution in the Debtors' chapter 11 cases on account of such Prepetition Mesothelioma Claim (including receiving any payment from an asbestos trust formed in the Debtors' chapter 11 cases on account of such Prepetition Mesothelioma Claim), or (d) receiving further notices regarding such Prepetition Mesothelioma Claim. For the avoidance of doubt, nothing in this Order expands the otherwise applicable consequences of failing to file a proof of claim by the Prepetition Mesothelioma Claims Bar Date.

11. KCC is authorized and directed to preserve all Prepetition Mesothelioma Claim Forms until such time as these cases are dismissed or a confirmation order entered in these cases becomes a final order for the benefit of any trustee appointed for an asbestos trust created pursuant to a confirmed chapter 11 plan of reorganization for the Debtors. Upon the request of such trustee, KCC shall transfer or otherwise dispose of all Prepetition Mesothelioma Claim Forms as such trustee requests.

12. This Court shall retain jurisdiction to interpret, apply, and enforce this Order to the full extent permitted by law.

Case No. 20-30608 (JCW)

(Jointly Administered)

NOTICE OF BAR DATE FOR CERTAIN MESOTHELIOMA CLAIMS

On [____], 2022, the United States Bankruptcy Court for the Western District of North Carolina (the "Court") entered an order (the "Bar Date Order") in the above captioned chapter 11 cases establishing a claims bar date for certain asbestos-related claims. Pursuant to the Bar Date Order, the Court has established **July 29, 2022** (the "Prepetition Mesothelioma Claims Bar Date") as the date by which holders of Prepetition Mesothelioma Claims (as defined below) are required to submit a proof of claim to avoid the potential consequences set forth in paragraph 10 of the Bar Date Order and described herein.

**WHO MUST SUBMIT A PROOF OF CLAIM
FORM BY THE PREPETITION MESOTHELIOMA CLAIMS BAR DATE**

The Bar Date Order requires claimants asserting Prepetition Mesothelioma Claims to submit proofs of claim by the Prepetition Mesothelioma Claims Bar Date. "**Prepetition Mesothelioma Claims**" include all claims against the Debtors asserted in a lawsuit prior to June 18, 2020 (the "Petition Date") for mesothelioma relating in any way to asbestos or asbestos-containing products for which the Debtors or their predecessors-in-interest, including the former Ingersoll-Rand Company, a New Jersey corporation ("Old IRNJ") and Trane U.S. Inc. ("Old Trane") are alleged to be responsible; provided, however, that Prepetition Mesothelioma Claims do not include asbestos-related claims for which the exclusive remedy is provided under workers' compensation statutes and similar laws; provided, further, that for law firms party to an agreement establishing a structure for either Debtor, Old IRNJ, or Old Trane to resolve claims against them without being named as a defendant in a lawsuit in the tort system, the Prepetition Mesothelioma Claims Bar Date applies to all mesothelioma claims governed by said agreement and for which, pursuant to said agreement, statutes of limitation have been tolled by the filing of an asbestos related lawsuit against any entity in the tort system prior to June 18, 2020 (the "Settlement Agreement Claims").

¹ The Debtors are the following entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Aldrich Pump LLC (2290) and Murray Boiler LLC (0679). The Debtors' address is 800-E Beaty Street, Davidson, North Carolina 28036.

WHO DOES NOT NEED TO SUBMIT A PROOF OF CLAIM FORM AT THIS TIME

The Prepetition Mesothelioma Claims Bar Date does not apply to any claim or demand against, or interest in, the Debtors other than Prepetition Mesothelioma Claims including, without limitation: (a) non-asbestos-related claims, (b) asbestos-related claims on account of diagnoses other than mesothelioma, (c) asbestos-related claims for which the exclusive remedy is provided under workers' compensation statutes and similar laws, and (d) claims against one or both of the Debtors based on, arising out of, or related to asbestos-related injury, disease, or death that either (i) except for any Settlement Agreement Claims, had manifested, become evident, or been diagnosed as of the Petition Date, but for which a claim had not been asserted against one or both of the Debtors as of the Petition Date, or (ii) had not manifested, become evident, or been diagnosed as of the Petition Date.

PROCEDURES FOR SUBMITTING PROOFS OF CLAIM

As further described below, claimants asserting Prepetition Mesothelioma Claims must complete and submit a proof of claim form substantially in the form attached to the Bar Date Order as Exhibit 1 (each, a "Prepetition Mesothelioma Claim Form"). To avoid the potential consequences set forth in paragraph 10 of the Bar Date Order, holders of Prepetition Mesothelioma Claims must complete their Prepetition Mesothelioma Claim Forms and either (i) submit them electronically through the electronic claims filing system maintained by Kurtzman Carson Consultants LLC ("KCC"), the Debtors' claims and noticing agent, available at <https://epoc.kccllc.net/PrepetitionMesotheliomaClaim> (the "Claims Website"), **by no later than 5:00 p.m. (prevailing Eastern time) on the Prepetition Mesothelioma Claims Bar Date** or (ii) send them to KCC so as to be actually received **by no later than 5:00 p.m. (prevailing Eastern time) on the Prepetition Mesothelioma Claims Bar Date** at the following address:

**Aldrich Claims Processing Center
c/o KCC
222 N. Pacific Coast Highway, Suite 300
El Segundo, CA 90245**

An electronic signature on a Prepetition Mesothelioma Claim Form submitted through the Claims Website will be treated as equivalent to a physical signature.

Any Prepetition Mesothelioma Claim Form submitted by facsimile or electronic mail will not be accepted.

If you submit a Prepetition Mesothelioma Claim Form electronically, you will be provided with a date and time-stamped copy of the submitted Prepetition Mesothelioma Claim Form on the Claims Website that you can print or download, which confirms receipt by KCC. If you want to receive acknowledgement of KCC's receipt of a Prepetition Mesothelioma Claim Form submitted by mail, you must submit by the Prepetition Mesothelioma Claims Bar Date and concurrently with submitting your original Prepetition Mesothelioma Claim Form (a) a copy of the original form and (b) a self-addressed, postage prepaid return envelope.

THE REQUIREMENT TO SUBMIT A PERSONAL INJURY QUESTIONNAIRE

The Bar Date Order further provides that every claimant who completes and submits a Prepetition Mesothelioma Claim Form on account of a Prepetition Mesothelioma Claim will be required to complete and submit a personal injury questionnaire (the "Questionnaire"). The precise form and the deadlines and requirements for completion and submission of Questionnaires will be established by and set forth in a subsequent Order of the Court.

**FILING PROOFS OF CLAIM AGAINST
BOTH DEBTORS; REQUIREMENT TO IDENTIFY DEBTOR**

Claimants asserting Prepetition Mesothelioma Claims against one or both Debtors are required to submit only one Prepetition Mesothelioma Claim Form but must identify in such Prepetition Mesothelioma Claim Form whether the claim is against Aldrich, Murray, or both Debtors.

EFFECT OF FAILURE TO FILE A PROOF OF CLAIM

PURSUANT TO PARAGRAPH 10 OF THE BAR DATE ORDER, ANY HOLDER OF A PREPETITION MESOTHELIOMA CLAIM WHO FAILS TO FILE A PROOF OF CLAIM WITH RESPECT TO SUCH PREPETITION MESOTHELIOMA CLAIM IN ACCORDANCE WITH THE BAR DATE ORDER BY THE PREPETITION MESOTHELIOMA CLAIMS BAR DATE SHALL BE SUBJECT TO SUCH LEGAL CONSEQUENCES AS THE BANKRUPTCY CODE MAY PRESCRIBE OR PERMIT, WHICH MAY INCLUDE DISALLOWANCE OF THE UNTIMELY FILED PREPETITION MESOTHELIOMA CLAIM AND THE BARRING, ESTOPPING, AND ENJOINING OF SUCH HOLDER FROM (A) ASSERTING ANY PREPETITION MESOTHELIOMA CLAIM AGAINST THE DEBTORS (OR AGAINST ANY ENTITY THAT, PURSUANT TO ANY PLAN OF REORGANIZATION, ASSUMES LIABILITY FOR PREPETITION MESOTHELIOMA CLAIMS), (B) VOTING TO ACCEPT OR REJECT ANY PLAN OR PLANS OF REORGANIZATION, (C) PARTICIPATING IN ANY DISTRIBUTION IN THE DEBTORS' CHAPTER 11 CASES ON ACCOUNT OF SUCH PREPETITION MESOTHELIOMA CLAIM (INCLUDING RECEIVING ANY PAYMENT FROM AN ASBESTOS TRUST FORMED IN THE DEBTORS' CHAPTER 11 CASES ON ACCOUNT OF SUCH PREPETITION MESOTHELIOMA CLAIM), OR (D) RECEIVING FURTHER NOTICES REGARDING SUCH PREPETITION MESOTHELIOMA CLAIM. FOR THE AVOIDANCE OF DOUBT, NOTHING IN THE BAR DATE ORDER EXPANDS THE OTHERWISE APPLICABLE CONSEQUENCES OF FAILING TO FILE A PROOF OF CLAIM BY THE PREPETITION MESOTHELIOMA CLAIMS BAR DATE.

If you require additional information regarding the filing of a proof of claim, you may contact KCC at (866) 573-9926 or visit the Claims Website at <https://epoc.kcellc.net/PrepetitionMesotheliomaClaim>. RESERVATION OF RIGHTS

The Debtors reserve the right to (a) dispute, or to assert offsets, defenses, or counterclaims against, any claim for which a proof of claim is filed as to nature, amount, liability, classification, or otherwise; and (b) subsequently designate any claim as disputed, contingent, or unliquidated. PURPOSE OF QUESTIONNAIRE

The U.S. Bankruptcy Court for the Western District of North Carolina has authorized Aldrich Pump LLC and Murray Boiler LLC ("Aldrich" and "Murray" or the "Debtors") to issue this Questionnaire to claimants who have submitted a proof of claim in the Debtors' chapter 11 cases on account of mesothelioma allegedly caused by exposure to a product manufactured or distributed by Aldrich or Murray, or the former Ingersoll-Rand Company or former Trane U.S. Inc., which claim was asserted in a complaint that was filed, or otherwise communicated and made known to Aldrich or Murray, or the former Ingersoll-Rand Company or former Trane U.S. Inc. prior to June 18, 2020 (a "Mesothelioma Claim")

This Questionnaire is only to be answered by claimants who have submitted a proof of claim in this bankruptcy case.

The Debtors are pursuing reorganization in a chapter 11 case in the Bankruptcy Court, referred to as *In re Aldrich Pump LLC, et al.*, Case No. 20-30608 (Bankr. W.D.N.C.).

The purpose of this Questionnaire is to obtain certain information about each Mesothelioma Claim with respect to the topics noted below. **If you are a Mesothelioma Claimant, you must provide accurate, complete, and timely responses to this Questionnaire consistent with the instructions that are included on pages 3-6 of the Questionnaire.** All information provided in response to this Questionnaire will be treated as confidential pursuant to an order of the Bankruptcy Court. The use of this information is expressly limited to this bankruptcy case.

INFORMATION FOR MESOTHELIOMA CLAIMANTS

If you have a Pending Mesothelioma Claim against Aldrich, Murray, or both, you are directed to complete and submit this Questionnaire on or before December 16, 2022. **Please note that this Questionnaire is different from the proof of claim submitted in this bankruptcy case, and must be sent to a different electronic portal or address (see below).**

Each Mesothelioma Claimant will be provided a unique copy of this Questionnaire. If you have been provided such a copy, you must provide your answers on it and upload it through the electronic portal or send it in the mail. In addition, if you answer by mail, you are permitted and encouraged to provide any attachments in electronic format (for example, on a CD or thumb drive), where feasible.

You may upload your completed Questionnaire responses and any attachments electronically through the electronic portal (the "Portal") supported by Donlin, Recano and Company, Inc. (the "Questionnaire Agent"), and located at <https://aldrich.donlinrecano.com>. As described on the Portal, claimants or their counsel may either complete the Questionnaire by (1) following the guided prompts on the Portal, typing responses, and then uploading required documents, or (2) downloading a copy of the blank Questionnaire, completing it offline, and then uploading the completed Questionnaire along with required documents. If you plan to complete this Questionnaire in hard copy, **make an extra copy before** beginning to complete this Questionnaire as some claimants will require additional pages.

In the alternative, you have the option of submitting your completed Questionnaire responses and any attachments by mail. If this is your preference, please deposit your completed Questionnaire, along with any attachments, in the U.S. Mail (and include the required postage) postmarked no later than December 16, 2022, addressed as follows:

NOTE: Document Page 33 of 96

Claimants completing the Questionnaire in hard copy should make an additional copy or multiple copies of the Questionnaire **before** completing the Questionnaire, as some pages require duplication prior to completion.

When information is requested of "you" in this Questionnaire, "you" and "your" is defined as the Mesothelioma Claimant, The Injured Party (if different), and counsel for the Claimants and/or Injured Party.

A glossary of defined terms is attached as page 60 to this Questionnaire.

PART 1: STATUS OF MESOTHELIOMA CLAIM

- In Part 1, "Pending" means that the lawsuit or other mesothelioma claim on which you based your proof of claim in the Debtors' chapter 11 cases has not been dismissed, settled, or closed. "Settled" means a Mesothelioma Claim for which there is an agreed settlement confirmed in writing with one or both of the Debtors or their predecessors, the former Ingersoll-Rand Company and/or former Trane U.S. Inc. prior to June 18, 2020. "Required Settlement Documentation" shall mean all documents required by the Debtors in order to complete, finalize, and process the settlement, including, but not limited to, asbestos exposure information, medical records, and a fully and properly executed agreed form of release.
- The "PIQ ID" is a unique numerical identifier assigned to each Mesothelioma Claimant by the Questionnaire Agent, which must be used in responding to this Questionnaire.

PART 2: INJURED PARTY INFORMATION

- In Part 2, provide identifying information for the person diagnosed with mesothelioma (the "Injured Party").

PART 3: RELATED CLAIMANT INFORMATION

- Only complete Part 3 if the Mesothelioma Claimant is a "Related Claimant," rather than the Injured Party.

As used in this Questionnaire, the term "Related Claimant" means a person who is not the Injured Party but who is making a claim based on or derived from the Injured Party's mesothelioma, either in a representative capacity (e.g., the personal representative of the Injured Party's estate suing for the Injured Party's injuries), or in an independent capacity (e.g., a family member suing for his or her own losses based on the alleged personal injury to or wrongful death of the Injured Party).

PART 4: LAW FIRM INFORMATION

In Part 4, provide contact information for the law firm that represents the Mesothelioma Claimant with respect to the Mesothelioma Claim. Also provide the identity of any other law firm(s) that has an attorney-client relationship with the Mesothelioma Claimant in regard to his or her asbestos claims, whether in lawsuits, in making claims against trusts established to pay claims against bankrupt asbestos defendants ("Trusts"), or otherwise.

PART 5: INFORMATION ON MESOTHELIOMA DIAGNOSIS

- To support a mesothelioma diagnosis listed in Part 5, submit at least one report from a qualified physician with information regarding the Injured Party's diagnosis. Mesothelioma Claimants may submit additional documentation, such as x-rays, lab tests and medical exam reports. A death certificate must be accompanied by pathology or autopsy findings. In addition, the diagnosis must include a pathology or operative report that indicates a definitive diagnosis of mesothelioma.

PART 6: ALLEGED EXPOSURE

- In Parts 6A, 6B, and 6C, "Secondary" or "Household" exposure means alleged exposure of the Injured Party to asbestos through another person (the "Primary Exposed Person") who worked with or around asbestos or asbestos-containing products. An example would be asbestos exposure of the Injured Party allegedly resulting from a person that brought home asbestos fibers on his or her clothes.
- In Parts 6A, 6B, and 6C, if you do not know the answer to a question, please leave that question blank. To the extent the answer is partially known (for example, the year when exposure began or ended but not the day or month), please provide the information that is known.

PARTS 6A and 6B: ALLEGED EXPOSURE TO ALDRICH AND MURRAY PRODUCTS

- In Parts 6A and 6B, identify whether the Mesothelioma Claimant alleges the Injured Party was exposed to asbestos from asbestos-containing products for which Aldrich or Murray is alleged to be responsible. The products for which Aldrich is alleged to be responsible are the same products for which former Ingersoll-Rand Company was alleged to be responsible. The products for which Murray is alleged to be responsible are the same products for which former Trane U.S. Inc. was alleged to be responsible. Answer the questions with respect to the Injured Party's occupational and non-occupational exposures to asbestos products which you allege are attributable to Aldrich or Murray equipment.
- **Complete a separate Part 6A or Part 6B for every site from which the Mesothelioma Claimant alleges Aldrich Exposure or Murray Exposure.** Use as many copies of Part 6A or Part 6B as necessary to answer for all sites where alleged Aldrich Exposure or Murray Exposure occurred and assign a number for each site. In the case of Secondary or Household exposure, list information for each job or non-occupational site where primary exposure allegedly occurred and provide the required information regarding the Primary Exposed Person's alleged exposure during the periods when the secondary exposed person claims exposure.
- Use the attached Occupation Codes (Table O-1) [pages 6-7], Equipment Codes (Table E-1) [pages 8-9], and Activity Codes (Table AC-1) [page 10] for use in completing Parts 6A and 6B. If more than one Occupational Code applies, you may use more than one or all that apply.

PART 6C: ALLEGED EXPOSURE TO ASBESTOS UNRELATED TO ALDRICH AND MURRAY

- In Part 6C, answer the questions with respect to the Injured Party's occupational and non-occupational alleged exposures to asbestos unrelated to Aldrich and Murray.
- In this section, identify each job or non-occupational site at which the Injured Party allegedly experienced asbestos exposure in any form for which you allege companies other than Aldrich and Murray are responsible ("Non-Aldrich and Non-Murray Exposure"). Use as many copies of this page as necessary to answer for all jobs and non-occupational sites where alleged Non-Aldrich and Non-Murray Exposure occurred and assign a number for each job or non-occupational site. In the case of Secondary or Household exposure, list information for each job or non-occupational site where primary exposure allegedly occurred and provide the required information regarding the Primary Exposed Person's alleged exposure during the periods when the Secondary or Household exposure occurred.

PART 7: INJURED PARTY/MESOTHELIOMA CLAIMANT ECONOMIC LOSS INFORMATION

- Provide the information requested in Part 7 regarding the Injured Party's alleged economic losses and dependents.
- For answering questions related to occupation and industry, do not use the Occupation Codes.

PART 8: LITIGATION AND OTHER CLAIMS RELATED TO THE INJURED PARTY'S ALLEGED ASBESTOS EXPOSURE

- Provide the information requested in Part 8 regarding all payments received from Trusts and entities that are not Trusts (e.g., other defendants).
- Then, for every lawsuit based on the Injured Party's mesothelioma (or any other asbestos-related condition), provide the requested information in Part 8A and complete Tables A, B, and C. Answer these questions regardless of whether Aldrich Pump LLC, Murray Boiler LLC, Ingersoll-Rand, or Trane was a defendant in the lawsuit. Please note that although attached complaints can answer many questions in Part 8A, they do not answer the questions concerning whether claims have been resolved through verdict and related questions.
- See below for "Option to Respond by Producing Documents."

PART 9: CERTIFICATION

- Either the claimant or the claimant's attorney must sign the appropriate certification.

PART 10: ATTACHMENT OF TRUST CLAIM FORMS

- The claimant must submit copies of all Trust claim forms submitted by or on behalf of the claimant or Injured Party to Trusts listed in Table B (or the electronic equivalent if submitted electronically), along with any other documents submitted such as deposition transcripts, affidavits, invoices, etc. Alternatively, the Mesothelioma Claimant may execute the authorization attached as Exhibit 1 for lawyers for Aldrich and Murray to obtain the claim forms and their attachments directly from the Trusts (the "Authorization"). The Authorization must be signed by the Mesothelioma Claimant (not just the attorney) and notarized. Please note that if you choose to execute the Authorization, it must contain the full Social Security numbers of the Injured Party and Mesothelioma Claimant.

PART 11: OTHER CASE DOCUMENTS

- Each Mesothelioma Claimant must attach copies of the following documents in the possession, custody, or control of the claimant or the claimant's counsel (or upload them through the Portal):
 - All depositions that are in the Mesothelioma Claimant's or his/her attorney's possession taken in any lawsuits listed in Part 8A that relate in any way to the Injured Party's alleged exposures to asbestos or asbestos-containing products.
 - All written discovery (including interrogatories and requests for admission) that are in the Mesothelioma Claimant's or his/her attorney's possession answered on behalf of the Injured Party or Related Claimant in any of the lawsuits listed in Part 8A.
 - All expert reports that are in the Mesothelioma Claimant's or his/her attorney's possession produced by any party in a lawsuit listed in Part 8A.
 - Social Security printout and copy of union or employment records relevant to the Injured Party's asbestos exposure (where available) that are in the Mesothelioma Claimant's or his/her attorney's possession. In the case of alleged Secondary or Household exposure, provide the Social Security printout and copy of union or employment of the person who worked with or around asbestos or asbestos-containing products who brought home asbestos fibers on his or her clothes (i.e., the Primary Exposed Person); and
 - Copy of medical records (or autopsy report) confirming diagnosis of mesothelioma: **at least one report from a qualified physician** with information regarding the Injured Party's diagnosis. Mesothelioma Claimants may submit additional documentation, such as x-rays, lab tests and medical exam reports. The submitted evidence should comply with recognized medical standards regarding testing methods, equipment and procedures. A death certificate must be accompanied by pathology or autopsy findings. In addition, the diagnosis must include a pathology or operative report that indicates a diagnosis of mesothelioma.

OPTION TO RESPOND BY PRODUCING DOCUMENTS (APPLICABLE TO PARTS 6, 7, AND 8)

- In lieu of providing a written response to Part 6, 7, or 8, or any particular question included therein, you may submit verified complaints, interrogatory responses, deposition transcripts of plaintiffs and/or product identification witnesses, bankruptcy trust claim forms, or expert reports that provide true and complete information responsive to the questions answered by this alternative means.

PART 6A: ALLEGED EXPOSURE TO ASBESTOS FROM ALDRICH EQUIPMENT (See instructions for Part 6A)

Answer the question regarding the Injured Party's alleged exposure to asbestos from Aldrich Equipment ("Aldrich Exposure"). Then, complete a separate section for every job in which claimant alleges Aldrich Exposure, as well as any site where claimant alleges non-occupational Aldrich Exposure. Use as many copies of the following two pages as necessary to answer for all jobs and non-occupational sites where alleged Aldrich Exposure occurred, and assign a number for each job or non-occupational site (exposure may be alleged at multiple job sites and/or multiple non-occupational sites). In the case of secondary exposure, list information for job or non-occupational site where primary exposure allegedly occurred and provide the required information regarding the Primary Exposed Person's alleged exposure during the periods when the Secondary Exposed Person claims exposure. See instructions for Part 6 for the definition of "Primary Exposed Person," "Secondary Exposed Person," and "Secondary Exposure."

If you wish to produce documents instead of providing a written response, see "Option to Respond by Producing Documents" on page 5 above, and follow the instructions set forth there and on pages 1-2 under "Information for Mesothelioma Claimants."

Does the Mesothelioma Claimant allege that the Injured Party had exposure to asbestos for which Aldrich is or was responsible ("Aldrich Exposure")? The products for which Aldrich is alleged to be responsible are the same products for which former Ingersoll-Rand Company was alleged to be responsible.

☐ Yes ☐ No

Are any of the questions in Part 6A answered by attached responsive documents?

8. "Pending" means a claim or lawsuit that is not dismissed, settled, or closed.
9. "Primary Exposed Person" means a person who worked with or around asbestos or asbestos-containing products and exposed a Mesothelioma Claimant to asbestos fibers. 10. "Related Claimant" means a person who is not the Injured Party but who is making a claim that derives from the Injured Party's mesothelioma, either in a representative capacity (e.g., the personal representative of the Injured Party's estate suing for the Injured Party's injuries), or in an independent capacity (e.g., a family member suing for his or her own losses based on the alleged personal injury to or wrongful death of the Injured Party).
